About Kyosk Cafe

Our food philosophy

We endeavour to deliver moreish, fresh food that will make you feel wholesome!

We use local, quality suppliers to reduce our food miles and increase the yum factor.

Where possible, our ingredients are organic and raw.

All of our meat and eggs are free-range.

Our main bread supplier is Zeally Bay - we think it's the best organic sourdough you can find!

We focus on whole foods, but some of our dishes are decadent, because we know you need a treat now and then!

Our wholesome philosophy doesn't end with the food

Our vision with KYO Yoga and KYO was to create an oasis in Ocean Grove with lush gardens, water features, exotic decor and more. A place where you can escape, enjoy a yogic experience and then rest in front of our fireplace with an all-day brekkie, fresh juice and not-too-naughty raw treat.

Kyosk is a sustainable cafe that is totally powered by 80 solar panels, including a 20kW inverter.

We want you to feel good every time you eat at Kyosk!
